

ROCK TOOLS

Furukawa Rock Drill increases drilling performance with Diabit Drilling Tools from Mitsubishi.

What goes down the hole is just as important as what is above the ground. That's why Furukawa Rock Drill only sells Diabit rock drilling tools from Mitsubishi Materials Corporation. Utilizing high quality Mitsubishi carbide inserts combined with

special steel bodies, these bits offer faster drilling times, improved performance and reduced labor. Mitsubishi bits and accessories come in a wide range of configurations to meet any drilling opportunity.
